WARM GREETINGS FROM INTERFACE EDUCATION GROUP

Interface Education Group has collaborated with institutions at home and abroad to provide access to relevant and cost-effective quality educational opportunities to working adults throughout the country.

Our initiative to provide lifelong educational opportunities, aims to support and complement the initiative of the corporate sector and Malaysian government objective of placing local organization at the forefront of global competitiveness. Our life long educational programmes have created opportunities for working adults to participate in our programmes and upgrade their knowledge and skills.

The platform created by the Group is in line with the Malaysian government objective of transforming Malaysia into a high income society through human capital development and innovation.

The strong support received from the industries had enabled the Group to have 15 learning centres throughout the country with more than 5,000 working adults studying in our centres pursuing their educational ambition for their career development.

With the continuous support from all our stakeholders, we look forward to be in the radar screen to emerge as a leader in lifelong education in Asia.

Thank You.

PARTNER UNIVERSITIES:

- Universiti Utara Malaysia (UUM)
- Universiti Teknologi Malaysia Space (UTM Space)
- Universiti Geomatika Malaysia (UGM)

UGM Programmed Offered

MASTER OF BUSINESS ADMINISTRATION (ODL)

Approval Code: KPT : N-DL/340/7/0755 (26/08/2023) MQA

Accreditation:MQA/FA10022 Course Mode: PT / ODL

ABOUT THE UNIVERSITY:

Geomatika University College (GUC) which was previously called Geomatika College of Technology is located in Kuala Lumpur. Universiti Geomatika Malaysia (UGM) started as a Vocational Centre, specializing in Land Surveying.

The university vision is to become a preferred tertiary education provider of choice. The mission of the University is to provide access to high quality education, ensuring that learning journeys and experiences are meaningful, to produce graduates capable of serving society and to contribute to the development of a knowledge driven nation.

The University has 12 faculties and offers approximately 46 courses for part-time and full-time students.

WHY UGM'S MBA (ODL)

MBA (ODL) offers flexibility of studying for the working adults. Balancing work responsibilities that are usually busy and hectic, studying through online distance learning mode allows the students to study at their own pace and manage their own timing to achieve the result. Our MBA (ODL) is designed to suit the online mode learning.

Online learning environment removes geographical barriers by enabling student to participate in lecture and group discussion in real time with peers and lecturers. The program enables students to draw on the wide-ranging experience of others in the same cohort to tackle complex issues assignment collectively. Student will be able to consolidate, practice and develop virtual team working skills. Students can finish the program in 16 months.

ENTRY REQUIREMENTS

- ❑ A bachelor's degree from any other higher learning institutions, recognized by Malaysia Government or UGM's Senate with the minimum CGPA of 2.50 OR
- ❑ Applicants with Degree holder with CGPA below 2.5, subject to a rigorous internal assessment; OR
